clinicians' efforts to incorporate
HIV prevention into the medical
care of persons living with HIV.**

6 CMEs **free** | 6 Nursing Contact Hours **free** | 0.6 CEUs **free**

WHO SHOULD TAKE THIS COURSE?

- ✚ Physicians
- ✚ Physician Assistants
- ✚ Nurse Practitioners
- ✚ Nurses
- ✚ Other clinicians who provide clinical care for HIV+ patients

TRAINING FACULTY

- ✚ Jeanne Marrazzo, MD, MPH
- ✚ Sharon Martens, NP
- ✚ Elizabeth Saltonstall, MD

Learn About:

- Effective screening for behavioral HIV transmission risk factors
- Delivering universal prevention messages
- Providing tailored prevention interventions
- The importance of Partner Services in the care of patients

Achieve These Objectives:

- ✓ Outline a correct approach for screening for STDs
- ✓ Address patient misconceptions about HIV transmission
- ✓ Provide brief behavioral interventions and referrals for more intensive interventions.
- ✓ Initiate discussion of the five partner referral options with patients

This all-day training (includes refreshments/lunch) and Continuing Ed. Credits are free of charge, but pre-registration is required:

The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The Centers for Disease Control and Prevention designates this educational activity for a maximum of 6 AMA PRA Category 1 Credits. Physicians should only claim credit commensurate with the extent of their participation in the activity. This activity for 6 contact hours is provided by the Centers for Disease Control and Prevention, which is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation. The CDC has been reviewed and approved as an Authorized Provider by the International Association for Continuing Education and Training (IACET), 8405 Greensboro Drive, Suite 800, McLean, VA 22102. The CDC has awarded 0.6 of CEUs to participants who successfully complete this program.
