Seattle STD/HIV Prevention Training Center

STD Update Course

With optional 2-day clinical practicum available

March 30-31, 2010

Location:

***3601 “C” Street
Rooms 890 & 896
Anchorage, Alaska***

COURSE DESCRIPTION

The STD Update course provides participants with training in the most recent advancements in the prevention, diagnosis and management of sexually transmitted diseases.

COURSE OBJECTIVES

By the end of the course participants will be able to:

1. State the clinical and laboratory criteria for diagnosis of the sexually transmitted diseases covered.
2. List the current recommended diagnostic procedures, treatment, and follow-up for patients at risk for sexually transmitted diseases.

AUDIENCE

This course is designed for clinicians in Alaska who diagnose and treat patients with sexually transmitted infections.

REGISTRATION

Register online at: www.seattlestdhivptc.org. From the homepage click on “Courses,” then “Course calendar/Registration,” then on the course, which is listed by title, date and location, and finally on “Register.”

The registration fee is \$100 before March 1, 2010 and \$150 after March 1st. The registration fee includes the cost of continuing education credit and is payable at the time of registration. You may either pay online through PayPal at the time of registration or by check. If paying by check, make it payable to “University of Washington” and mail to the attention of Ronnie Staats at the Seattle STD/HIV Prevention Training Center, Mail Stop 359932, 325 Ninth Avenue, Seattle, WA 98104.

If you have questions please contact Ronnie Staats at the University of Washington’s STD/HIV Prevention Training Center at: 206-685-9848 or rstaats@u.washington.edu.

CONTINUING EDUCATION CREDIT

Continuing Medical Education

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Washington School of Medicine designates this educational activity for a maximum of 13.0 *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Continuing Nursing Education Credit

12.9 of contact hours (of which 10.7 are in pharmacology at the advanced practice level) will be awarded.

The University of Washington School of Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC).

Provider approved by the California Board of Registered Nursing, Provider #07218, for 12.9 of contact hours.

The University of Washington School of Nursing is approved as a clock hour provider by the Washington State Board of Education.

The University of Washington School of Nursing is an approved provider of continuing education in Washington State for counselors, social workers, psychologists, and most health care disciplines.

CNE Nurse Planner: Linda Johnson Trippett, MSN, RN, NHA

Please see next page for information on the optional 2-day Clinical Practicum.

OPTIONAL 2-DAY CLINICAL PRACTICUM

COURSE DESCRIPTION

The STD Clinical Practicum includes skill development in sexual history taking, review of clinical case studies and hands-on experience in the STD clinic and laboratory under the direct supervision of a skilled preceptor.

COURSE OBJECTIVES

By the end of the course participants will be able to:

1. Elicit and record a focused medical and sexual history
2. Discern appropriate indications for laboratory studies
3. Determine appropriate therapy for the diagnosed condition

AUDIENCE

This course is designed for clinicians in Alaska who have **completed the STD Update course on March TBA, 2010**, and have at least six months STD exam experience.

REGISTRATION

Please indicate your interest in taking part in a clinical practicum session when you register online.

Practicum sessions will take place at the Municipality of Anchorage Reproductive Health Clinic. **After receiving confirmation of their acceptance**, qualified participants (those attending the STD Update course who have at least six months STD exam experience) will schedule practicum sessions directly through the Municipality of Anchorage Reproductive Health Clinic. Instructions for scheduling practicum sessions will be provided in the confirmation letter. **Practicum participation is limited so early registration is imperative.**
